**ALVIC** has integrated **ISO 14001** Environmental Management System into all its processes, in order to minimize the impact of our industrial activities may have on the environment. Part of our commitment to environmental sustainability is a procurement policy that prioritizes the use of Forestry Product Chain of Custody certified raw materials, as well as those coming from recycling and recovery processes.

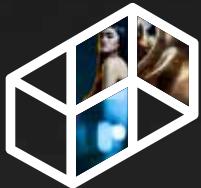

**ALVIC** is **PEFC** and **FSC** Chain of Custody certified, guaranteeing the sustainable use of forestry products.

**ALVIC** a intégré un système de gestion intégré (**ISO 14001**) à ses processus, dont l'objectif principal est de minimiser l'impact sur l'environnement lié à notre activité industrielle. Par ailleurs, notre politique d'approvisionnement donne la priorité aux matières premières certifiées dans la chaîne de traçabilité de produits forestiers ainsi que celles issues des procédés de recyclage et de réutilisation des matériaux afin de contribuer à la durabilité.

**ALVIC** dispose des certificats **PEFC** et **FSC** de la chaîne de traçabilité de produits forestiers, qui garantissent leur utilisation durable.
